**Monday, March 23:** Fairview Neighborhood Association annual Spring Fling Open House - bring your families, friends, neighbors and ideas to our meeting! We have a new school in the works! Come view the plans and share your opinions and views, this months meeting will be a 'Town Hall' meeting between Dayton Public Schools and you to review what is happening. Also bring an empty stomach – we will provide food and beverages starting at six o'clock p.m. for you to enjoy while you come to know what's going on in your neighborhood! This months meeting has been moved to the Fairview Methodist Church on the southeast corner of Fairview and Catalpa, to accommodate the anticipated crowd, the meeting starts at same time as always, 6:30 in the evening.

**Tuesday, April 6:** Fairview Neighborhood will sponsor a Mayors Walk. Come meet and talk with Mayor Rhine Mclin and city staff members through the neighborhood beginning at 5:15 and share your concerns. The walk will start and end at the Fairview Methodist Church on the southeast corner of Fairview and Catalpa. The walk should end around 6:45, then a picnic style supper will be served and the Mayor has had an invitation to stay and eat with us, we hope that her busy schedule will allow her to eat with us. Then the evening will end with the first Phoenix Project meeting of the year. Come see what all the excitement's about in your community!

**Applications for the Summer Youth Leadership Academy are available though the month of March at the FROC building.**

\*I am asking that families RSVP by April 20, 2009 to ensure that  
enough pizzas are ordered for the evening.

## Come and help out!!!

On **Saturday, April 18** we will be working on the community garden, working to expand it and prepare it for the coming gardening season. We welcome all who want to help out!! The garden is located next to the FROC building parking lot on Fairview. This activity will be held from **noon to dusk**, with a cookout included.

### Important note to our Neighbors:

Please keep a lookout for one another by reporting any suspicious activity (anything out of the ordinary that doesn't seem right).

We have had an increase in car vandalisms and break-ins recently. Please call 333.COPS (2677) if you see any activity out of the ordinary.

Your neighbors will thank you!

### On April 25 -

At the address of 2064 Ravenwood Avenue, we will be once again participating in the REBUILDING DAYTON program, helping to rehab a neighbor's house .

This is outside work, and does make a huge difference for the neighborhood and also for the neighbor!
